

Professor Dr. Md. Abdul Aziz

Educational Background:

Professor Dr. Md. Abdul Aziz completed his MBBS from Rajshahi Medical College and Hospital in 1988. He later obtained the prestigious FCPS in Haematology from the Bangladesh College of Physicians and Surgeons (BCPS) in 2005, establishing a strong academic foundation in the study and treatment of blood-related diseases.

Training & Fellowship:

He is a Fellow of the Bangladesh College of Physicians and Surgeons (BCPS) and has received advanced professional training in clinical and laboratory haematology.

Years of Experience:

With over 25 years of experience in the fields of Haematology and Haemato-Oncology, Professor Aziz has been at the forefront of diagnosing and treating a wide range of blood disorders, including anaemias, bleeding and clotting disorders, bone marrow diseases, and blood cancers such as leukaemia, lymphoma, and myeloma.

Hospital affiliations

Professor Dr Md. Abdul Aziz began his distinguished career as a Clinical Assistant in the Department of Haematology at the then PG Hospital, Shahbag. Through dedication, clinical excellence, and academic contribution, he was promoted to Assistant Professor in 2007, and later to Associate Professor in 2013 at BSMMU, Shahbag, Dhaka.

In 2019, he was elevated to the position of Professor of Haematology and concurrently served as the Chairman of the Department of Haematology, BSMMU, from 2019 to 2022, where he played a pivotal role in academic leadership, research development, and departmental modernization.

Currently, he continues to serve as a Professor of Haematology at Bangladesh Medical University, Shahbag, Dhaka, where he remains actively engaged in teaching, clinical service, and mentoring postgraduate students.

Over the years, Professor Dr Md. Abdul Aziz has earned national recognition for his expertise in diagnostic and clinical haematology. He is also the Founder and Chief Consultant of the Haematology

Centre, a premier one-stop consultation and diagnostic facility dedicated to comprehensive haematological care and advanced laboratory diagnostics.

Research and Publications:

Professor Aziz has a strong academic portfolio with over 40 research articles published in various national and internationally recognized peer-reviewed journals, reflecting his contributions to the advancement of haematological science and clinical practice.
